

# **PROJECT EARTHLING©. RESET GLOBAL ECONOMICS.**

**A GLOBAL MACRO-ECONOMIC REFORM WHICH DELIVERS REAL FREEDOM, TRUE INDEPENDENCE, TRADE EQUALITY, BUSINESS EQUALITY, AND ECONOMIC EQUALITY TO 192 COUNTRIES IN THE WORLD. IT IS ALSO A GLOBAL BANKING REFORM, THAT SIMPLIFIES INTERNATIONAL BANKING. FURTHER, THE REFORM ENDS ALL FORMS OF SLAVERY IN THE WORLD, BY BRINGING DISTINCTION BETWEEN LOCAL DOMESTIC CURRENCY AND A NEUTRAL INTERNATIONAL CURRENCY.**

**ALL THE 192 COUNTRIES IN THE WORLD, IN A LEVEL ECONOMIC PLAYING FIELD, CAN BUILD THEIR ECONOMIES INDEPENDENTLY, ACHIEVE PROSPERITY, AND PLAN TO BUILD THEIR OWN NATIONAL TREASURY WEALTH. THE ECONOMIC INDEPENDENCE WITH NO OTHER COUNTRY CONTROLLING YOU WITH A FINANCIAL LEVER IS PRICELESS.**

A macro-economic flaw persisted in the world for 245 years. Usa by building their usd-\$ monopoly has cheated the rest of the world countries and used it as a FINANCIAL LEVER to control, dominate, and render 192 countries as their slave countries. This reform is 250 years too late. To terminate the persisting macro-economic anomaly, that is causing economic losses to 192 countries right now due to incorrect and higher import bills:

**THIS REFORM MUST BE INTRODUCED AT WIPO (WORLD INTELLECTUAL PROPERTY ORGANIZATION) SUMMIT AND BE BROUGHT TO DECISIVE VOTING OF ALL 193 COUNTRIES FOR ITS IMPLEMENTATION. IT COULD ALSO BE INTRODUCED IN ECONOMIC FORUMS AND AT WTO OR UNGA.**

USA cheated all the world countries for 162 to 245 years; by manipulating their currency (\$) and thus the price of commodities imported by countries. This is an ongoing problem, and it must stop. The immediate relief world countries are looking for:

To eliminate the ongoing import bill fraud being committed by USA.

Eliminate the two varying frames of reference. Manipulated \$ value, against the varying commodity price by its own demand and supply.

\$ (USD) must cease to exist as a global trade / transaction and bribing currency. Observe that it is the domestic currency of one country USA.

Introduction of Earthlings as a new international trade, international business, foreign exchange, and national reserve currency is the immediate need of the world countries.

Project Earthling© going live will deliver:

REAL independence to all 192 non-USA countries.

Ends all forms of slavery imposed on 192 non-USA countries.

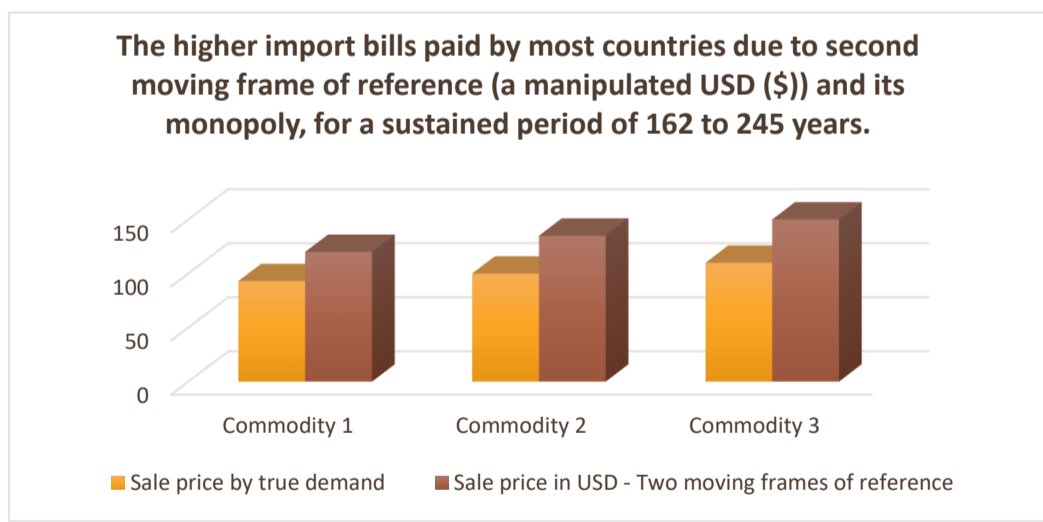

Economic equality and independence to all 192 non-USA countries.

Trade equality and business equality to all 192 non-USA countries.

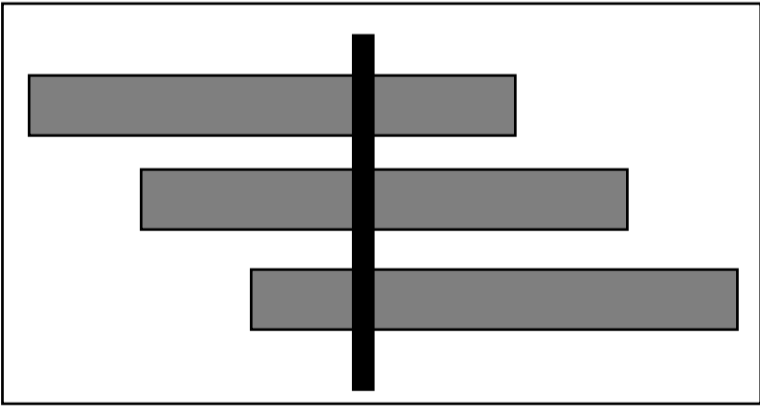

Knock out punch to the ongoing USA import bill fraud imposed on 192 non-USA countries.

Simplifies the international banking system and eliminates multiple currency forex transactions between 193 countries.

It has several other advantages, benefits, and features, all of which can be accessed at my website webpage:  
<https://srinivasdevathi.com/project-earthling/>

## **EARTHLINGS CURRENCY SYMBOL**

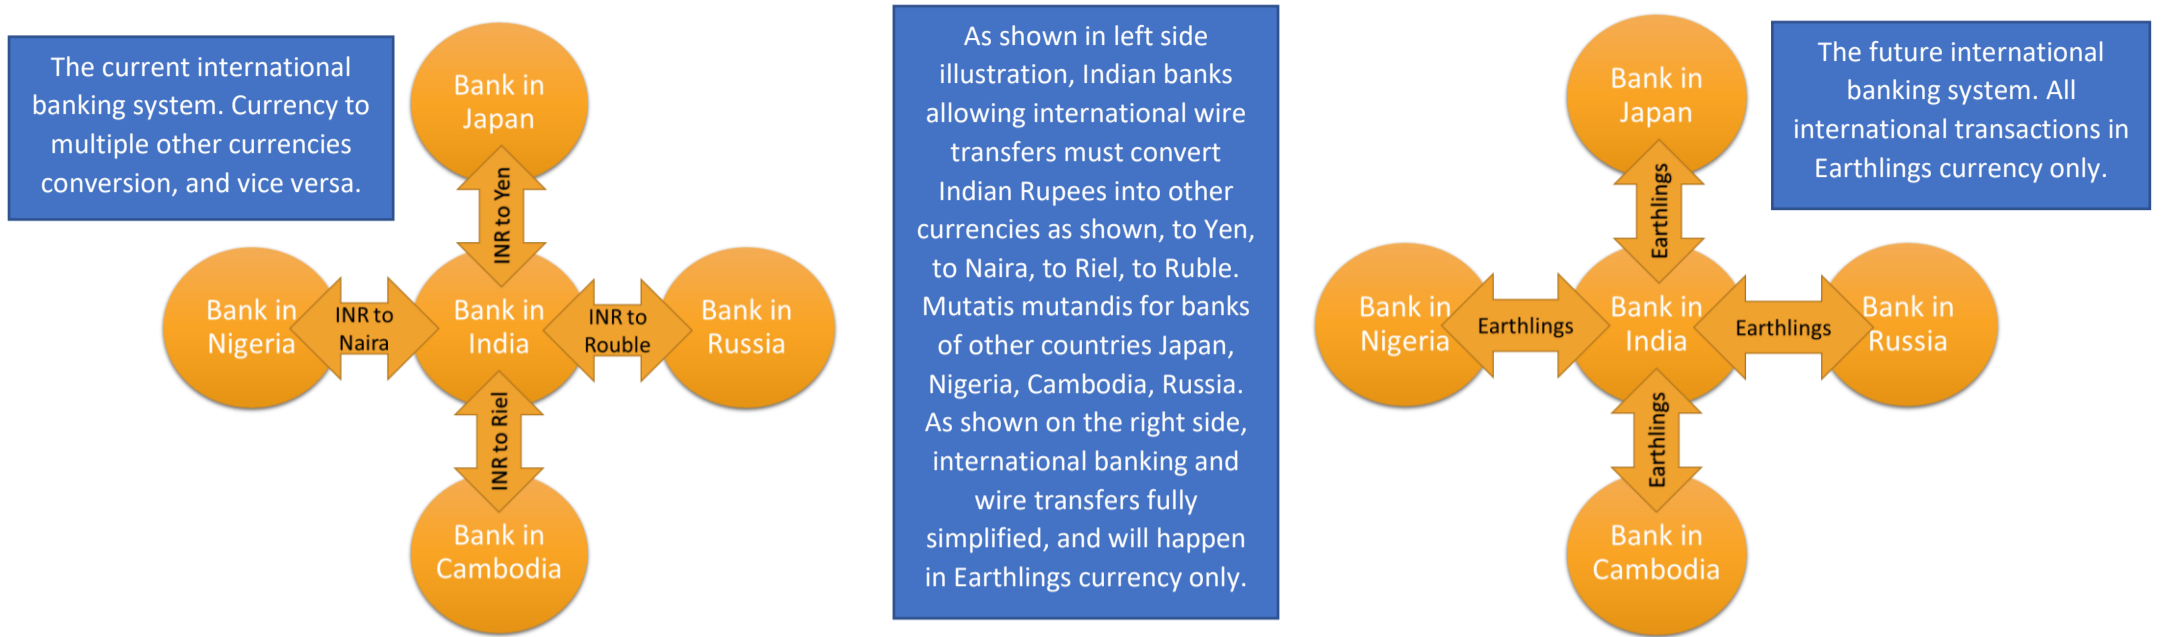

Earthlings currency will hold its value for a period of 10 years, before it is either strengthened or weakened for the benefit of global economy by GEC.

The list of top commodities traded by most world countries: Crude oil, Natural gas, Coffee, Gold, Iron, Silver, Copper, Aluminum, Sugar, Corn, Cotton, Soyabeans. There are also other commodities which have all be incorrectly priced because of the manipulated \$ (USD) over the last 160 to 240 years.

162 years – since Goldman Sachs has been formed.

245 years – since USA got its independence.

**INTERNATIONAL BANKING SIMPLIFIED. BANKS DO NOT HAVE TO DO THEIR LOCAL CURRENCY TO MULTIPLE OTHER COUNTRY CURRENCIES CONVERSIONS FOR INTERNATIONAL TRANSACTIONS, OR WIRE TRANSFERS. ALL INTERNATIONAL TRANSACTIONS, AND WIRE TRANSFERS TO ALL COUNTRIES COULD BE DONE IN EARTHLINGS CURRENCY.**

Some features and advantages of Project Earthling©.

You can read about all the benefits at my website webpage: <https://srinivasdevathi.com/project-earthling/>

1. All global trade commodities will be priced in Earthlings.
2. All export items of all countries will be offered while priced in Earthlings. It will be a single global trade market, for each country's export items.
3. All global fund transfers (international wire transactions) will happen in Earthlings, thus simplifying global trade / transactions. E.g., Whether you are transferring funds to Europe, China, Japan, or Korea, you always do the international wire transfers in Earthlings, despite their local currency. The recipient Bank upon funds receipt in Earthlings, could either hold them in Earthlings or convert it to their local currency, as per its preference. Global banking is simplified. Many to many currency conversion headaches are removed for Banks.
4. All developing and least developed countries benefit significantly from this. USA and its economy will also be subjected to checks and balances.
5. Each country must have a special 'International trade Bank' which allows bulk (high value) Earthling transactions for registered global traders who do import / export of goods, to other entities in other countries who are in turn registered import / export traders in those countries. As another thought, all registered global traders who do import / export of goods must showcase their products online on their website, for bulk import / export deals ONLY and 'not for retail sales in the local or any foreign country'. This allows the registered global traders to be transparent to the government, CB, and the International trade Bank in the country.
6. All banks should allow international wire transactions in Earthlings, in smaller amounts with a cap, for regular citizens. This will be subjected to amendments by GEC over time.
7. Local or domestic business; whether online or offline, must be conducted in the local national currency only.
8. The initial exchange of each country's holdings into 'Earthlings' will be on record with GEC (Global Earthling Counsel); and such information will be fully transparent to all country's governments. Along with such data, the international trade numbers (done in Earthlings) of each country will also be on record and available to all countries. This curbs all fraudulent activities funded by bribes using any one local currency in a different country.
9. All global 'Money based rankings' could be done in Earthlings. For example, Forbes richest people listing cut-off could be by Billion Earthlings or more, GDP (nominal) of countries will be listed in Earthlings (GDP-PPP (by Purchasing Power Parity) will cease to exist as a national economic indicator), Global movies earnings and rankings could be in Earthlings, International flight tickets could be priced in Earthlings, International hotel stay pricing could be in Earthlings, International tourism packages pricing could be in Earthlings, Global commodity pricing will be in Earthlings, International products or services pricing by exporters will be in Earthlings, International sports tournament prize money could be in Earthlings.
10. Most forex reserves held by each country must be in Earthlings.
11. World Bank and IMF will cease to exist. So would the need for any world regional banks.
12. At international airports, point of departure, the forex stations should allow buying Earthlings against local currency. At the point of destination, forex counters should be able to convert Earthlings to the local currency of that country. So, most international travelers could only carry Earthlings and travel to any country and shall do fine upon landing.

Project Earthling© - A timeline marker for the World.

End of year 2015 – Conceived the macro-economic reform.

11/1/2019 – Authored, documented, and published Project Earthling©.

16/1/2019 – Filed for copyright with Indian Copyright office.

22/2/2019 – Indian copyright office issues copyright with registration number L-81033/2019.

One must not be surprised, if the 'AD' years (which came into effect after BC years) would now be reset to begin 'FE' years. Freedom by Earthling; or Freedom to Earthlings; years. Begin of a new era.

Each Country Earthlings reserve equation

Current Earthling reserve = Last year 'Earthling reserve' – Total FY Earthling reserves spent on national development work – Total FY imports + Total FY exports plus or minus Citizen activity.

Wherein;

Citizen activity is international travelers (incoming and outgoing) exchange of Earthlings to local currency and vice versa at forex counters; and plus or minus Non-business citizen remittances in Earthlings (incoming and outgoing) through Banks.
